Rescission of Administrative Review, In Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received a timely-filed withdrawal request from the petitioners.⁵ Because the withdrawal request was timely filed, and no other party requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review with respect to the following companies: DCE Inc; Dong Chuel America Inc.; Dong Chuel Industrial Co., Ltd.; Dongbu Incheon Steel Co., Ltd.; Dongbu

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution from an authority that gives rise to a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our conclusions, *see* the accompanying Preliminary Decision Memorandum.

⁶ See Petitioners' Letter, "Partial Withdrawal of Request for Administrative Review," dated February 28, 2022.

⁷ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

Preliminary Results of Review

As a result of this review, we preliminarily determine the net countervailable subsidy rates to be:

Producer/Exporter	Subsidy Rate (percent <i>ad valorem</i>)
Hyundai Steel Company ⁸	0.32 (<i>de minimis</i>)
POSCO ⁹	0.33 (<i>de minimis</i>)

Verification

Commerce received a timely request from Nucor to verify the information submitted in this administrative review.¹⁰ As provided in section 782(i)(3) of the Act, Commerce intends to verify the information submitted by Hyundai Steel in advance of the final results of this review.

Disclosure and Public Comment

We intend to disclose to interested parties the calculations performed for these preliminary results within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

A timeline for the submission of case and rebuttal briefs will be provided to interested parties at a later date.¹¹ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further

⁸ Hyundai Steel Company is also known as “Hyundai Steel Co., Ltd.” As discussed in the Preliminary Decision Memorandum, Commerce has found the following company to be cross-owned with Hyundai Steel: Hyundai Green Power Co. Ltd.

⁹ As discussed in the Preliminary Decision Memorandum, Commerce has found the following companies to be cross-owned with POSCO: Pohang Scrap Recycling Distribution Center Co. Ltd.; POSCO Chemical; POSCO M-Tech; POSCO Nippon Steel RHF Joint Venture Co., Ltd.; POSCO Steel Processing and Service; and POSCO Terminal. The POSCO subsidy rate applies to all cross-owned companies. We note that POSCO has an affiliated trading company through which it exported certain subject merchandise, *i.e.*, POSCO International Corporation (POSCO International). POSCO International was not selected as a mandatory respondent, but was examined in the context of POSCO. Therefore, there is not an individually-established rate for POSCO International; POSCO International’s subsidies are accounted for in terms of POSCO’s total subsidy rate. Entries of subject merchandise exported by POSCO International will receive the rate of the producer listed on the entry form with U.S. Customs and Border Protection (CBP). Thus, the subsidy rate applied to POSCO (and POSCO’s cross-owned affiliates) is also applied to POSCO International for entries of subject merchandise produced by POSCO.

notice.¹² Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. All briefs must be filed electronically using Enforcement and Compliance's ACCESS system.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date and time of the hearing two days before the scheduled date.

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the *Federal Register*, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rate

Pursuant to section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review. If the assessment rate calculated in the final results is zero or *de minimis*, we will instruct CBP to liquidate all appropriate entries without regard to countervailing duties.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely

summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the companies listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, except, where the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 19 CFR 351.221(b)(4).

Dated: October 28, 2022.

Assistant Secretary
for Enforcement and Compliance.
